3. A business name must be given. (Only one business name per registration).
4. A business entity designation (Corporation, Corp., Incorporated, Inc., LC, LP, LLP, LLLP) may not be included within the business name unless the registration shows ownership by an appropriate business entity registered in Missouri which is in good standing.

9. If a business entity is part or sole owner of a fictitious name registration, an authorized person must execute this document on the bottom in the space provided.
10. If a business entity is involved in ownership it must be incorporated, registered, or qualified to do business in Missouri with the Secretary of State. A good standing status must be maintained.
